The Transforming Age difference

Transforming Age is a leading not-for-profit organization committed to improving the lives of older adults by integrating housing, community service, technology, philanthropy, and partnerships.

Transforming Age and its affiliates are guided by a singular vision to "transform the perception of age" and to make life better for older adults and society. We view aging as a declaration and an opportunity to continue to lead an independent and purposeful life.

Skyline operates with the guidance of the Trustees Council under the governance of the Transforming Age board of directors.

From beautiful apartments to unmatched hospitality, Skyline is a lovely senior living destination for anyone desiring a community built around living the retirement lifestyle you've always envisioned. Schedule a tour today to see if our community is right for you.
